

Authorization to Obtain Credit Reports

I hereby authorize The Merna Law Group, P.C. and its staff to obtain copies of all three of my credit reports from www.AnnualCreditReport.com. I understand this is a free service and by authorizing The Merna Law Group, P.C. to obtain these reports I will not be eligible to receive additional free copies for another year. Pulling the credit report is a courtesy provided by our firm and is not part of the cost charged or the services provided. In the event your free credit report is not available you will be required to provide all three reports or pay to procure them (estimated cost \$55). If you have pulled your credit reports from this site in the last year please provide copies with the other documents requested.

I further authorize The Merna Law Group, P.C. to provide all pertinent personal data required to obtain the credit reports.
